God So Loves, Humanity So Resists - John 3:1-36

Have you ever struggles with something because it didn't make sense?

For God so Loves, they why... Not how I would do it.

Isa 55:8 My way, not your way, My thoughts, not your thoughts  
Jer 29:11-14 God's desire: prosper and bless, to bring about our good

My way is not your way but your life is my priority

Short term gratification due to shorted sightedness hinders trust

Gen 3:1-4 Did God really say? Oh, surely not... Good from Evil

Deut 8:14 when blessed we will forget and take it for granted

What do you think of snakes? Copper Head, Woody

We have been snake bit. Nicodemus: No longer privilege

Num 21:4-9 Take away the snakes, I will give you an antidote

But humanity loves darkness, resists the antidote

Called back to God's truth, God's way through Jesus

### Implementation:

Jesus Increases John Decreases: This is the spiritual not earthly path

God's love is demonstrated through the son

Will Nicodemus and the Jewish Leaders Submit and Repent to this Teacher from "God's teacher Proven by Miracles"?

Or resist and rebel: Ensuring both their physical and spiritual death?

Will you accept the reality that we live exposed to being snake bit?  
Do you accept that your limited perspective you resisting rather than submitting?

Do you trusting your limited perspective rather than God's Nature?
