

Lament: Why?

Are You Serious

In those days Israel had no king; everyone did as they saw fit.
Jdg 19:30 Such Things have never happened in Israel

- 1) Amazement: Why are men of Dan acting like Men of Sodom?
Such a thing has never been seen or done
Family before foreigner
In Gibeah, Family acting more like foreigner
We have what we need – That's what you think
Benjamin gets to demonstrate allegiance
Give us the wicked men who did this wicked crime
Israel against its brother: Sad it took this for unity.

Do not think of yourself more highly than you ought.

- 2) Commitment: Are you serious about your devotion
Will you commit even in loss to rejoice in victory
2 times, should we go up yes wept before God. Why?
3rd time fasting and sacrifice – I will hand them over
Jdgs 21:15 Blaming God for their struggle:
There is no kings
- 3) Commitment: Are we serious about living into our purpose
In Those days... No More, A king Reigns
John 16:19-20 You will grieve, but you will rejoice
Heb 2:5-11 From a crown of thorns to a crown of glory

Because of Jesus

We go from living in darkness
Living for darkness

To being light in the darkness
By living in such a way that point to a better life

Is there anything pulling you back into the darkness?

Will You Do As He Sees Fit?
